

NICKEL OPEN FUND

5th Annual Nickel Open Golf Tournament June 18, 2022 | Ridges at Sand Creek

Now more than ever, mental health continues to be of the utmost importance. Quarantine, distance from family and friends, home schooling, job loss and cancellation of important events like graduations, weddings, funerals and more continues to take a toll on people of all ages and impacts us all.

We invite you join us in our continued efforts to raise money for mental illness awareness, suicide prevention and education in local schools. Opportunities are available to participate as a golfer, guest, event sponsor, to donate items for our live and silent auctions or any combination of the above! Donations in lieu of participation are welcome and can be made by visiting the website home page (noted at bottom of page).
